HARRISONBURG-ROCKINGHAM

# At The Community Foundation of Harrisonburg & Rockingham County,

we make it easy to give back to the community we all love through comprehensive and trusted charitable giving.

We partner with donors, professional advisors and nonprofits to fund local needs through community endowments and support to charities.

By expertly managing these funds in-house or with local financial advisors, we're able to power people, projects, initiatives and organizations working in the arts, education, the environment, and other contexts that strengthen our community and make it a vibrant place to live and work.

Confirmed in  
Compliance with  
National Standards  
for U.S. Community  
Foundations
